D'LOX WIPE AWAY RTU is a surface cleaner formulated to utilize the power of hydrogen peroxide and the cleaning ability of d-Limonene. This advanced formula is stabilized at a highly alkaline pH, which enhances the cleaning ability of the "oxygen-activated" cleaner, the d-Limonene, and the special grease fighting surfactants. This incredible cleaner is powerful enough to remove such stains as coffee, juice, blood, ink, grease, and more from nearly all types of surfaces including upholstery, carpeting, appliances, countertops, and much more! No messy mixing involved -- simply spray and wipe away!

DIRECTIONS

Spray on stain or soil. Allow a few minutes to work, then simply wipe away. For easy to remove grease, spots, and stains, D'Lox WIPE AWAY RTU may be diluted with up to 10 parts water. Always test in an inconspicuous area before using.

CAUTION

May be harmful if swallowed. May be irritating to eyes and skin. Do not take internally.
Avoid contact with eyes and prolonged contact with skin.

FIRST AID:
If In Eyes: Flush eyes and under eyelids with plenty of cool water for at least 15 minutes. If irritation persists, obtain medical attention.
If Swallowed: Contact physician or poison control center immediately. Do not induce vomiting. Rinse mouth with water and give one to two glasses of water to dilute. Never give anything by mouth to an unconscious person.
If On Skin: Flush skin with water. Remove contaminated clothing, and rinse with water. Launder clothing separately before reuse.
If Inhaled: Remove person to fresh air. Administer artificial respiration if breathing has stopped.

HANDLING AND STORAGE:

Keep container tightly closed when not in use. Do not store in unmarked containers. Store container in cool, dry place. Store away from alkaline products, metals, salts, organics, and reducing agents.
