

# Dynasty Drain Magic

## Bacterial Drain Opener/Maintainer

**Form:** Thickened Liquid

**Color:** Green

**Odor:** Citrus

**pH:** 6-8

**Solubility (in water):** Soluble

**Flash Point (ASTM D-7821):** >200 °F

**Specific Gravity:** 1.03 g/cm<sup>3</sup>

**Density:** 8.47 lbs/gal

**Storage Stability (at 70°F):** 1 year

**This Product Contains:** **CAS#**

Water	7732-18-5
Propylene Glycol	57-55-6
C9-11 Alcohols Ethoxylated	68439-46-3
Acrylic Polymers	NA
Viable Bacterial Culture	Withheld

### Great For Use In...

- Kitchen Drains
- Bathroom Sinks
- Garbage Disposals
- Grease Traps
- Utility Sinks
- Bathtubs
- Urinals

**TO REMOVE DRAIN BLOCKAGES:** Pour 2 ounces of DYNASTY DRAIN MAGIC into clogged drains. Its thickened formula will carry this unique product directly to the site of the stoppage. Allow drain to sit undisturbed for at least 6 hours, preferably overnight. Flush drain with hot water for several minutes to loosen clog and restore normal drain flow. If flow is not completely restored, repeat treatment.

**FOR DRAIN MAINTENANCE:** Most drain clogs result from the accumulation of food materials on the inside of drain surfaces. Regular use of DYNASTY DRAIN MAGIC establishes an active bacterial population that works continuously to keep organic blockages from occurring. Adding 1 ounce of DYNASTY DRAIN MAGIC to drains once a week and allowing it to work overnight ensures that drains will remain open. For drains that receive large amounts of organic matter (kitchens and garbage disposals), increase the dosage to 2 or 3 ounces per week.
