

# Interchangeable Quick Release Hex Bit Sets

- Quick change 3/8" and 1/2" drive sockets have a lifetime warranty\* and allow for easy bit changes and provide ease of use and greater torque
- Efficient design allows one socket to drive multiple sizes; traditional hex sockets can only drive one
- Bits made from durable S2 tool steel, heat-treated, annealed and tempered to 59Rc
- Chamfered ends on hex bits allows for more effective fit in fastener head
- Custom blow mold case provides better organization and can easily be stored in a toolpouch, drawer or cabinet

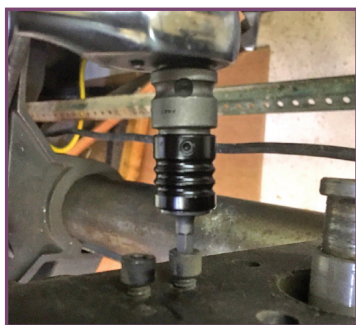

\* Lifetime warranty applies to drive sockets only. Hex bits not covered.

## SETS

Code #	Description	Size
TL89310520	25 pc Interchangeable Hex Bit Set SAE	1/8", 5/32", 3/16", 1/4", 5/16" 3/8", 7/16", 1/2", 9/16", 5/8"
TL89310521	21 pc Interchangeable Hex Bit Set Metric	2mm, 3mm, 4mm, 5mm, 6mm, 7mm, 8mm, 10mm, 12mm
TL89310522	21pc Interchangeable Torx Bit Set	T15, T20, T30, T40, T45 T50, T55

Simple push down motion allows for fast and easy bit change outs.

Use Solution Series Ratchets for removal and installation of socket head cap screws, set screws and Torx drive fasteners.
