**STORM**

**COIL CLEANER & DISINFECTANT**

Vinocidal Against Herpes Simplex Virus Type 1 & 2, Cystine Parvus

Disinfectant Against Legionella Pneumophila

**ACTIVE INGREDIENTS:**
- N-Butyl (CL: 4, 5, 8; C16, 5% C16, 5% C18)
- Phenoxyethanol (CL: 1, 4, 8; C12-14, 5%)

**OTHER INGREDIENTS:**
- Ammonium Chloride ..............................................0.10%
- Ethanol (CL: 2, 3, 4; C12-14, 5%)
- Isopropyl Alcohol ................................................0.10%
- Water ..........................................................................Balance

**Ratings:**
- Health: 1, Reactivity: 1, Flammability: 0

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION:**
See additional precautionary statements on back panel.

**NET WT:** 18 OZ, 510 g

---

**STORAGE AND DISPOSAL:** Do not puncture or incinerate if empty. Place in trash or offer for recycling if available. 

**FURTHER INSTRUCTIONS:** Call your local solid waste agency or T-100 CLEANUP for disposal instructions.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. To disinfect hard non-porous surfaces (such as HVAC catch pans and air conditioning evaporator coils), proceed as indicated below: (1) Shake can before using. (2) Hold six to eight inches from surface to be treated. (3) Spray area until it is covered with a white foam. Allow foam to penetrate and remain wet for 10 minutes. No scrubbing necessary. (4) Wipe off with a clean cloth, paper or sponge.

**MILDewed: To control mold and mildew on pre-cleaned, hard, non-porous surfaces (such as HVAC catch pans and air conditioning evaporator coils), proceed as indicated below: (1) Shake can before using. (2) Hold six to eight inches from surface to be treated. (3) Spray area until it is covered with a white foam. Allow foam to penetrate and remain wet for 10 minutes. No scrubbing necessary. (4) Wipe off with a clean cloth, paper or sponge.

**FIRST AID:**

If swallowed:
Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If in eyes:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor immediately for treatment advice. Have product container or label nearby when calling.

**If inhaled:**
Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION:**
See additional precautionary statements on back panel.
