Clean and brighten carpets and rugs for longer life and better appearance. This powerful detergent removes embedded dirt and ground in grime, separating the individual fibers and raising the nap. This cleaner is designed for steam or hot water extractors, and contains corrosion inhibitors to protect machines.

DIRECTIONS:
Grease and oil stains should be removed with SOLVENT CARPET CLEANER prior to extraction. Difficult food, drink and blood stains should also be pretreated. Vacuum rug or carpet.

Use 2 to 4 ounces per gallon of water in extractor tank. Follow manufacturers directions for machine's use.

Please Recycle.
