ARMOR GUARD is a high gloss protectant that cleans, preserves, and maintains rubber, vinyl, leather, fiberglass, and plastics causing these soft materials to fade, harden, and crack. ARMOR GUARD's exclusive formula penetrates surfaces to condition them, while optical brighteners restore the appearance to a "brand new" look.

DIRECTIONS FOR USE:
Surfaces to be treated should first be wiped down to remove excess dirt and any heavy soils. Surfaces should also be completely dry. Spray ARMOR GUARD evenly on the clean, dry surface. Using a clean cloth, spread ARMOR GUARD over the entire surface to be treated. Allow the product to penetrate the surface for a few minutes. Turn the clean cloth over and buff off any excess product.

INGREDIENTS/CAS#:
- Water (7732-18-5)
- Polydimethylsiloxane (63148-62-9)
- Butane (106-97-8)
- Propane (74-98-6)
- Mineral oil (8042-47-5)

NFPA RATINGS:
- Health: 1
- Flammability: 4
- Reactivity: 0

DANGER:
Extremely flammable aerosol.

PREVENTION:
Keep away from heat/sparks/open flames/hot surfaces.
- No smoking. Do not spray on an open flame or other ignition source. Pressurized container. Do not pierce or burn, even after use.

RESPONSE:
- Wash hands after handling.
- Protect from sunlight. Do not expose to temperatures exceeding 55°C/131°F.

DISPOSAL:
- Dispose of contents/container in accordance with local/regional/national regulations.
